

## TH3 HASH NEWSLETTER

“Le Hash Francais” partit de l’Auberge Etoile à Vogue le soir onze Août. Le temps faisait nuageux, froid et il a plu à verse. Quelques personnes ont porté des vêtements Francaise.

La police locale a nous regardé traverser la rue. On a trouvé une nouvelle route et a visité la coline ‘Carne Marthe’. Il y avait une grosse orage!

Nous avons mangé une bonne bouffe Francaise. La route ‘Charlie’ a été court et vite, avant il a plu encore!

Tantrum and Skids awarded the ‘Down Downs’.

Pub Score: Deux Cents Points

Run Score: Nil Points

Down Downs were awarded to :-

Latex and Persil – Merely for setting a Hash with NO BBQ or Kayaking!

Soggy Pretzel, Maria and Peanut – Merely for having fun though Peanut should have had an extra one for excellent splashing in the absence of Dishy!

Furry – For losing Droop at Latex’s party!

By Pass – For unsteady cleaning up at the same said party.

Blue Rinse, Grommit and Sadie – “The Beverley Sisters”

And finally....

Knickerless for suggesting the last ‘down down’ for three people who could only drink one beer between them, something about one driving and another being allergic, all very sad.

The final announcements were for ‘Hares’ for the 31<sup>st</sup> August for which Brussels and Tantum volunteered and a reminder about the Pendeen weekend on the 3<sup>rd</sup> to 5<sup>th</sup> October.

Next Hash at the Red Lion, Mawnan Smith, 11am, 17<sup>th</sup> August. Seaman Stains and Doc (hmm sounds like a good combination!)
