### The Hash

Sophie, the virgin hasher, on arrival comments ' they're all old'.

But who was in bed at ten o'clock knackered. Yes you Sophie!!

The hash itself was enjoyable and scenic. Highlights included

:- A red double decker unusually parked in a field.

:- An eco warrior washing his car in the ford

:- Ali and Annusol were tempted by the hot tubs as we passed the holiday park.

Revenge was sweet for 'Dishy Goolies' our regular hasher splasher when a passing petrol spotted his antics, accelerated through the ford and covered him with a tidal wave. Yes the water generally is cold!!

## Hash Halt - This Isn't Any Ordinary Hash Halt

A mention must be given for the hash halt.

A lovely selection ( very posh - Marks & Spencer's !! )

Thanks to 'Dishy Goolies, Horny & Hab' .More for the rest us !!!!  
hmmmmm.

New Trainers Down Down for Annusol & Chesty  
Mother trained daughter well, Chesty down in one.

## The Finnish

Back at the Miners Arms we were entertained by CD who showed off the new craze of ' run around the car park chasing your dog in your underpants' Not too sure if this will catch on but was fun to watch.

Thanks to HF for the cake. Happy 60<sup>th</sup> !!

## And Finally.....The Down Downs

Blue Rinse & Crispy ( Not sure why )

Dishy Goolies, Horny & Hab for getting lost and missing the Hash Halt ( thanks again for the extra food )

Sophie ( virgin hasher ) impressed with her cough and given hash name of chesty - 2<sup>nd</sup> Down Down.

Chesty, the ageist, really enjoyed the hash, the company and the food and thanks all for a warm welcome.
