Hash Pub: Cornish Arms, Frogpool (Don't blame me & Tantrum Hares)

Attendance: About 40-ish

Score for hash: don't know (but think it should be '666'
(a devil of a run)

Score for Pub: don't know possibly about 40-ish

Down-downs: to Pot.

Score for hash Half: don't know but remember excellent food/drink
therefore would say about 77.

A lovely day, plenty of shiggys and misdemeanours.
a few being:

Tantrum said there were NO animals on route, she was
right because in fact we went past a 'Slaughter-house'

Pig Pen saw a notice left on some rubbish fly tipped which
said "shame to dump in the countryside". He then said
quote "I would never go for a 'dump' in the countryside"

The Ugly Trolls: LBW & NOT a FULL SHILLING were
splashing everyone "trip-trapping" over their bridges.

All-in all, a good St. Piran's day.
