

TRURO HASH HOUSE HARRIERS
STAR, PORKELLIS. 25/07/93.
HARE:WINJA.

We arrived at the carpark at 10:50 not seeing many hashers there. Some of the hashers including TWIGLET had hangovers from the night before, and I noticed TWIGLET and TWIN PEAKS had left there sunglasses on so we could not see the state they were in.

It came to 11:05 and there were only 19 hashers,so of we set. I just stood there while the others did the check!

We went across some fields up a footpath to a Hash Halt.

We came to a check, TWIGGY went through a load of shiggy going on for miles.Only to find a cross. The ON ON was up the hill.

We went across some more fields and up lanes and came to a ladies check.So I had to go and back TWIN PEAKS up because there were not many ladies there and the TWO WENDRON WENCHES refusing to check. Anyway I took the wrong trail, perhaps I take after LUSTY!

We came to another check and BJ and TWIGLET changed it to a ladies check.

TESSTA ROSSA and myself took a shortcut as the others were doing a loop.

They came to the Hash Halt plasterd in shiggy and everyone had plenty of oranges.

A little bird told me that TWIN PEAKS got an electric shock on her chest and TWIGGY lost his trainer in the shiggy.

ON ON was under the brige down the stream while every one was splashing each other.

We came on to a field running in toloads of shiggy and AIRLEG fell straight in the shiggy.

Then I had a choice of going straight on or going another half a mile I choose the half a mile and it was thick shiggy all the way.

We came on to the road ON HOME.
DOWN DOWNS were awarded to:

- Hare: WINJA.
- AIRLEG for his birthday.
- DROOP for SCB ing.
- O.S for being a Dad.
- The Italian who got a Hash name which is "RUDOLF".
- TESSTA ROSSA for her 10th Hash who also got the Willy Warmer.

TWIGGY wore the lovely smelly Hash Pratt T.Shirt because BOGGLIN did not come where was he? CUBS!
anyway he has got to wear it this week, nice try BOGGLIN.

There were 3 new Hashers:
NIGEL.
2 WENDRON WENCHES.

It was a good short Hash with loads of shiggy.
